

The image displays a grid consisting of 32 rows and 12 columns. The grid is partially filled with vertical bars of different colors and widths. The bars are located in the following columns and rows:

- Column 3: 10 teal bars, rows 1-10.
- Column 4: 10 teal bars, rows 1-10.
- Column 5: 10 teal bars, rows 1-10.
- Column 6: 10 teal bars, rows 1-10.
- Column 7: 10 teal bars, rows 1-10.
- Column 8: 10 teal bars, rows 1-10.
- Column 9: 10 teal bars, rows 1-10.
- Column 10: 10 teal bars, rows 1-10.
- Column 11: 10 blue bars, rows 1-10.
- Column 12: 10 blue bars, rows 1-10.

All other cells in the grid are empty. The bars are thin and extend from the bottom row to the top row of their respective columns.
